Patti's Clients Rave!

Your are fantastic...

"You are fantastic! I have never been to a more delightful or interesting presentation. I started practicing what I learned and I just can't believe the difference it has made in such a short time. I am so glad you will be back next year; I am bringing friends to hear you speak. Thank you for the book, I have already started reading it. It really reinforces your presentation and makes a great reference manual too! Good luck and thank you."

Outstanding keynote...

"Thank you for your outstanding keynote presentation to kick off our Credit Insurer's Association meeting. The participants said you were excellent. You built up interest and momentum from your high energy session which carried throughout our meeting. The two days were abuzz with comments that showed how much fun they had and how much they learned such as "Did you see him put his hands in his pockets!" and "I cross my arms to think but, I'm not ADD." You really made a lasting impression. People came up to me and said they wanted more of you and "we could listen to Patti all day." I really appreciate you motivating our group. We are hoping we can have you back some time in the future so check your calendar."

Also, thanks for taking the time to give me your book as you were leaving for the airport. I've already started reading it and plan to finish it on the plane. Amazing...

"Patti's workshop on Deception was amazing. The next day I looked at video clips of the politicians she mentioned. Then I stopped people in the locker room and at book group to tell them about Patti and her insights. Can't wait to use her tips with eHarmony matches! I'm getting a group together to go to Patti's workshop on Body Language."
