## Body Language: Wife 1 vs. Wife 2

“Paul and Linda [left] have ‘mutual gaze,’ – they are looking at each other,” says body-language expert Patti Wood. “This is very unusual for star couples in public. And they are mirroring each other, which shows love.” Paul and Heather (right), on the other hand, don’t show any “couple signals.” The pair, she says, “both face toward the front, and they aren’t touching affectionately.”
